WORK SESSION
Commissioners Room - Courthouse Annex
August 21, 2017

- III.A. At the August 7, 2017 Commissioners' meeting, Scott Alons and the Bagley Swamp Drainage District Committee presented a request to the Board to proceed with establishing the drainage district for the Bagley Swamp area. During the discussion, the Board felt that it would be advantageous to discuss this and possibly include other areas and set up districts for them.
- III.B. The Board will need to continue their discussion on the Zoning Ordinance revisions regarding the large solar farm facilities.
