514 S Church St
Hertford, NC 27944
Ph: 252.426.5319
www.pettigrewlibraries.org

We are now offering computer skills classes here at the library. These classes will cover the basic skills needed for everyday use of a computer, starting with how to turn it on. These classes are free to our patrons, however, space is limited. Please see a library technician or call (252) 426-5319 to register or for more information.
